

Children's Care Learning and Development (CCLD) NVQ Level 2

Description	The NVQ in CCLD Level 2 is suitable for those who work under supervision in a face-to-face role with children between the ages of 0 and 16 years, such as nursery officers, creche workers, special educational needs assistants and pre school practitioners.
Qualification overview	The NVQ is a skills benchmark. Achieving Level 2 is an assurance that the candidates skills are up-to-date and at the necessary level. The qualification can lead to increased responsibility, higher pay grades and promotion. This award gives candidates an opportunity to meet and network with fellow childcare professionals. The qualification is structured to allow the candidate to work at their own pace, with their own assessor during working hours.
Timescale	3 to 6 months, dependant on the individual candidates circumstances.
Content	<p>Core units</p> <ul style="list-style-type: none">• Contribute to positive relationships• Help to keep children safe• Support children's development• Use support to develop own practice in children's care, learning and development• Prepare and maintain environments to meet children's needs• Support children's play and learning <p>Optional units</p> <ul style="list-style-type: none">• Contribute to the effectiveness of teams• Support the development of babies and children under 3 years• Support a child with disabilities or special educational needs• Support children and young people's play
Assessment	Candidates must complete six core units plus one optional unit in order to gain the full award. Assessment is through direct observation within a childcare setting combined with inspection of supplementary evidence such as assignments, professional discussion, witness testimonies and work products.
Awarding body	The awarding body for this qualification is Edexcel
